(c) & (d) : No, Madam.

(e) : ITPO allows the exhibitiors to do business in all the exhibitions by promoting their products in the exhibitions. During the 35th India International Trade Fair held in November, 2015, some of the exhibitors have done the sale activity for which the DVAT registration was not obtained by them. Accordingly, DVAT Authority have imposed a penalty of Rs.49.50 lakhs on ITPO vide the impugned notice

of assessment of penalty issued by the VATO of the Ward-02 of the said Department on 24.11.2015 in form DVAT-24A under Section 33 read with Section 86(230) of the DVAT Act, 2004 and also penalized on individual exhibitors who failed to do the registration earlier. It is being appealed by ITPO stating (i) not every exhibitor do the sale activity, accordingly, making DVAT registration mandatory for all exhibitors may not be possible for ITPO (ii) the event is a trade event facilitated for the trade purpose. ITPO facilitated the DVAT official's presence during the trade fair by setting up their office within the trade fair premises and extended all facilities requested by DVAT Authorities.

(f) : Pragati Maidan complex is a prime location in the city and a large no. of visitors visit during the various fairs. There is always a perception of general security threat. Therefore, CISF was inducted in June 2014 with 97 sanctioned CISF personnel for access control. Apart from CISF, ITPO hires security personnel, fire guards and Civil Defence volunteers depending on the size of the fair. The local police also provide assistance during IITF.
